Columbia Heights Civic Association is working for you.....

- CHCA sponsored a \$350,000 park enhancement project that recently built a new fence between Walter Reed, Arlington Village and the Commons of Arlington, with new entryways into the Park!
- CHCA sponsored a \$350,000 project to replace street lights on Barton Street between Columbia Pike and 16th Street, with engineering work to begin in the summer of 2013!
- CHCA sponsored a \$360,000 street improvement project for 11th Street between Edgewood and S. Cleveland to build a sidewalk on the north side of the street, install three new street lights, improve storm drainage and repave the street (Completed spring 2013).
- CHCA sponsored park enhancement grants for landscaping at Walter Reed Community Park
- CHCS sponsored a grant to purchase display space for historic artifacts for Walter Reed, to celebrate the history of Arlington.

CHCA represents your interests before the County Board, County Commissions and many working citizens groups in Arlington County.
