Location: ONLINE

7:00 PM President's Update / Goals for Meeting (Ron Haddox)

7:05 PM Approval of June 14th, 2021 Minutes - No notes for July meeting. (Marian and Ron)

7:10 PM Traffic Calming for CHCA – update and follow-up.

- Juliet will present at future meeting/prepare letter on lack of parking and parking enforcement issues along Columbia Pike, affects businesses.
- Speeding concerns through Arlington Village (especially S. Barton, S. 16th, and S. Edgewood)
- We continue to experience ongoing issues at the intersection of S Edgewood and 11th St S. County's reply is that it won't accommodate another crosswalk at the northern portion because of the geography on the Western side/Walgreens driveway/sidewalk configuration. We need them to propose a resolution to this dangerous area. What else can be done before someone gets seriously hurt or worse?
- Our letter to the County Board on the issue of traffic calming. Next Steps (Marian and Ron)
 - Letter was sent on 6/18/21, no reply as of yet.
 - Ron recommends sending reps from CHCA to attend County Board meetings to complain during residential forum section (3 minutes). Ed volunteers to go, if statement is written for him-Marian/Erin will work on it. Reggie can be backup.
 - Mike: suggests approaching Transportation/Bike Commission to get support prior to attending County Board. He volunteered to attend one of their meetings w/our talking points on safety issues. Marian/Erin can work on talking points (perhaps get statement from Pentagon MMA).

7:20 PM - Update of the plans for our Annual Meeting and membership outreach. (ALL)

- Erin suggests Zoom to attract more participants; group agrees also due to Covid conditions. Possible October 18 date.

7:30 PM Old Business Updates / New Business

- Membership/Treasury update (Josh, bump, not present)
- Walgreens Agreement update (Reggie)-brick paver sidewalk along WR side, no budget or plans to improve that side heading south from first driveway apron. Reggie is open to speaking about it at a County Board meeting; will first approach his contact on the matter to send a letter. Lack of improvement on that side will cause disjointed sidewalk.
- Update on Career Center plans (Marian, no new updates)
- CPRO Annual Meeting: update? We should invite CPRO President Kimberly Klinger to our annual meeting to discuss Pike updates.
- Pike Presidents Group Updates? -Updates were provided on upcoming developments on the Pike.
- Erin: crooked and dying trees inserted at 13th St. S and WR; we will give her County tree person contact to reach out to.
